1878

Fleming proposes Terrie Zones

1878

In 1878 when Americans were surpassing the British in industrial output, the telephone came into practical use, standing at the intersection of two major lines of technology. One was electricity and information technology.

1878

The city of Cleveland began as a stop on the Houston East-West Texas Railway in 1878. Charles Lander CLEVELAND, a Kentucky native, and well respected lawyer and judge, deeded the original 63.6 acre townsite to the railroad for the sum of \$1<sup>00</sup>, with the agreement that the stop would bear his name.
